The main changes to make you aware of are as follows;

- **What to bring to club** – Children should only bring essential items to club this should include their snack for AM & PM and a packed lunch with cool pack, Jacket, sun cream.
- **Physical Distancing** - Staff will remain physically distanced from children where possible. Staff and children being in close proximity for long periods of time will be avoided or will be limited as far as possible, however there may be times where staff need to be close to children, particularly where assistance or comforting is required.
- **Breakfast** – Children will still be provided with breakfast until 9am.
- **Outdoor Sessions** – Please note that children will be outside for the duration of the Camp and will only be indoors for staggered snack times or during severe weather. Please ensure you provide suitable clothing for your child for all weather conditions, including a supply of sun cream which your child will be required to apply themselves where possible.
- **Children's Key Workers** - Please note that the staff mentioned above will also be your child's key workers for their allocated school and will be responsible for ensuring their personal plans are completed and kept up to date. Should you have any concerns or queries regarding your child or have any medical information to pass on, please phone a staff member on the number allocated to your child's school to protect confidentiality as parents are not permitted to have discussions within close proximity to staff at this time. - **Positive cases** are advised to self-isolate for 10 days. However, if the individual returns two consecutive negative LFD tests taken at least 24 hours apart with the first test no earlier than day 6 they may end isolation before the end of the 10 day period if they have no fever. This guidance for **cases** also applies to those under five years old.
- **Close contacts, both household and non-household** who are fully vaccinated, having received three doses of the vaccination (plus 14 days) or are aged under 18 years and 4 months, can take daily LFD tests for seven days instead of isolation - provided the tests are negative and they remains without symptoms. If someone has not received three doses of the vaccination, they will need to book a PCR test and even if this is a negative result, they will need to isolate for 10 days. Contacts aged under five years are not required to undertake daily LFD testing. They should be encouraged, but are not required to, take a one-off LFD test before ending isolation. If any contact develops symptoms at any point during or after the post-contact period, they should take a PCR test.
- **Symptoms of COVID-19 at the GSC** - Should a child become unwell with symptoms of COVID-19 whilst at the setting, they must notify a member of staff immediately who will collect their belongings and escort them to the reserved well-ventilated changing room. This staff member will then wait with the child whilst their parents are contacted to promptly collect them through the changing room exit door. Parents will be reminded to follow the Test and Protect arrangements by contacting the NHS to arrange for them to be tested on 0800 028 2816 ensuring they mention their childcare arrangements with the GSC.

**You MUST notify the Lead Practitioner or a senior staff member as soon as possible should your child or anyone from their household have suspected or has tested positive for COVID-19.**

- **Agreement** – The attached Agreement must be completed, signed and returned before your child attends the setting to confirm you have read and understood the changes in place.

Should you have any queries or concerns, please contact Aimee (Lead Practitioner) on [aimee.harwood@gariochsports.co.uk](mailto:aimee.harwood@gariochsports.co.uk) or call 01467 626141 to discuss.
