Changes at the GSC OOSC – COVID-19

Firstly, we would like to thank you all for your patience during these times of uncertainty. We understand how frustrating it has been for families who rely on our childcare services but unfortunately we have had to wait for the most up to date guidance to be released before we could start planning our safe reopening.

As expected, the latest government guidance on re-opening school age childcare services states that we are required to implement some changes to our usual service before reopening. This is to further ensure the safety and wellbeing of our staff and children remain our priority. We will only apply these changes where necessary and for as long as we have to, however please bear in mind that guidance can change at short notice.

The main changes to make you aware of are as follows;

- **Return of Children** – We will welcome children back on Monday 17th of August 2020.
- **Physical Distancing** - Staff will remain physically distanced from children where possible. Staff and children being in close proximity for long periods of time will be avoided or will be limited as far as possible, however there may be times where staff need to be close to children, particularly where assistance or comforting is required.
- **Bookings** – Category 1 Key Workers will be given priority to make bookings in advance. If you fall under this category, please ensure you make your required bookings by Monday 10th August. We politely ask parents who are not Category 1 Key Workers to refrain from making any bookings until Tuesday 11th August to prevent additional work for the staff and to prevent any delays or cancellations in bookings.
- **Breakfast Club** - Unfortunately due to the new distancing and additional cleaning requirements we can only allow one school to attend Breakfast Club. Based on previous attendance, the school that has the biggest requirement for this service is **STRATHBURN** School, therefore we will only allow children from this school to attend Breakfast Club until further notice. Apologies for any inconvenience this may cause for children from other schools.
- **Parent Drop-Off for Breakfast Club** – Parents will not be permitted to enter the building and must remain socially distanced from staff members at all times. On arrival to the GSC car park, parents must phone a staff member on 07597907187 and will then be asked to take their child to the Wellness Suite door. A staff member will greet your child at this door and will then escort them to wash their hands. Staff will also be responsible for signing in the children on behalf of the parents.
- **After School Club** – As the guidance states we must keep children in same social bubbles as much as possible, the only viable option we have is to keep the children in bubbles per school. Due to limited rooms and mandatory staff to children ratio's which must be adhered to, numbers will be limited to 19 children per school. Regrettably, this means we currently cannot allow children from all schools to attend. Based on previous attendance, the school that has the biggest requirement for this service is **STRATHBURN** School therefore we will only allow children from this School to attend After School Club until further notice. Apologies for any inconvenience this may cause for children from other schools.
- **School Pick-Up Arrangements** - As the schools are currently closed we are unable to advise where the children will be required to meet the playworkers to be picked up after school. Once this information has been shared, Aimee will advise parents through the OOSC Facebook page.

- **Outdoor Sessions** – Please note that children will be outside for the duration of the After School Club session and will only be indoors for staggered snack times or during severe weather. Please ensure you provide suitable clothing for your child for all weather conditions, including a supply of sun cream which your child will be required to apply themselves where possible. Large heavy-duty gazebos will be used to provide the children with dry areas should they not want to play outside. There will also be tables and chairs in each area so the children can continue to enjoy arts and crafts and games, however activities will be limited as they must be cleanable.
- **Parent Pick-Up for After School Club** - Parents will not be permitted to enter the building and must remain socially distanced from staff members at all times. Staff have been allocated a school bubble and will remain working with the children from that school only until further notice. On arrival to the GSC car park, parents must phone a staff member on the number allocated to your child's school as per below and wait outside the gate to the 3G pitches where your child will be escorted to you;
 - **STRATHBURN - Danielle + Scott B – 07597907187**

Staff will also be responsible for signing out the children on behalf of the parents.

- **Pick-up Time for After School Club** – Due to the additional time needed to ensure all resources are cleaned thoroughly, we ask that all children are picked up by **5.30pm**.
- **Children's Key Workers** - Please note that the staff mentioned above will also be your child's key workers for their allocated school and will be responsible for ensuring their personal plans are completed and kept up to date. Should you have any concerns or queries regarding your child or have any medical information to pass on, please phone a staff member on the number allocated to your child's school to protect confidentiality as parents are not permitted to have discussions within close proximity to staff at this time. Alternatively you can also contact Aimee (Lead Practitioner) on aimee.harwood@gariochsports.co.uk.

- **Symptoms of COVID-19 at Home** - Parents must check the health of their children before bringing them to the setting each day.

Should a child begin to show any symptoms of COVID-19 (ie. high temperature, a new continuous cough, a loss or change to their sense of smell or taste), parents must follow the Test and Protect arrangements by contacting the NHS to arrange for them to be tested on 0800 028 2816 ensuring they mention their childcare arrangements with the GSC.

Children must self-isolate for a minimum of 10 days should they show any symptoms for or test positive for COVID-19.

Children must also self-isolate for a minimum of 14 days if they have been in contact with anyone who has suspected COVID-19.

You MUST notify the Lead Practitioner or a senior staff member as soon as possible should your child or anyone from their household have suspected or has tested positive for COVID-19.

- **Symptoms of COVID-19 at the GSC** - Should a child become unwell with symptoms of COVID-19 whilst at the setting, they must notify a member of staff immediately who will collect their belongings and escort them to the reserved well-ventilated changing room. This staff member will then wait with the child whilst their parents are contacted to promptly collect them through the changing room exit door. Parents will be reminded to follow the Test and Protect arrangements by contacting the NHS to arrange for them to be tested on 0800 028 2816 ensuring they mention their childcare arrangements with the GSC.

Children must self-isolate for a minimum of 10 days after showing any symptoms for or testing positive for COVID-19.

You MUST notify the Lead Practitioner or a senior staff member as soon as possible should your child or anyone from their household have suspected or has tested positive for COVID-19.

- **Outbreak** – Please note that we may need to close the setting to all staff and children at short notice for at least 14 days should an outbreak of COVID-19 (two or more cases within 14 days) occur within the GSC.

Any sessions out with the 48hr Cancellation Policy will be credited on the child's account.

- **Agreement** – The attached Agreement must be completed, signed and returned before your child attends the setting to confirm you have read and understood the changes in place.

Should you have any queries or concerns, please contact Aimee (Lead Practitioner) on aimee.harwood@gariochsports.co.uk or call 01467 626141 to discuss.

Agreement to Changes at the GSC OOSC - COVID-19

I understand the importance of vigilance regarding COVID-19 symptoms as a source of preventing the transmission of the virus to other children, parents and staff will endeavour to follow any guidance issued by the government and the GSC.

Accordingly, I confirm that:

- I will check the health of my child before bringing them to the setting each day.
- Should my child begin to show any symptoms of COVID-19 (ie. high temperature, a new continuous cough, a loss or change to their sense of smell or taste), I will follow the Test and Protect arrangements by contacting the NHS to arrange for them to be tested.
- My child must self-isolate for a minimum of 10 days should they show any symptoms for or test positive for COVID-19.
- My child must self-isolate for a minimum of 14 days if they have been in contact with anyone who has suspected COVID-19.
- I will notify the Lead Practitioner or a senior staff member as soon as possible should my child or anyone from their household have suspected or has tested positive for COVID-19.
- Should my child become unwell with symptoms of COVID-19 whilst at the setting I will collect them immediately and will follow the Test and Protect arrangements by contacting the NHS to arrange for them to be tested.
- I agree to my contact details being distributed to the NHS Test and Protect team to allow them to contact me should there be an outbreak of COVID-19 at the GSC.
- I have discussed these changes with my child and have ensured they understand the importance of these measures (eg. enhanced hygiene and not mixing between school bubbles) as much as possible and I understand that if they are unwilling to follow the rules they may not be allowed to attend future sessions.
