COVID – 19 Policy & Procedure

The main changes to make you aware of are as follows;

- **Return of Children** – We will welcome Uryside back on the 9th of November.
- **Physical Distancing** - Staff will remain physically distanced from children where possible. Staff and children being in close proximity for long periods of time will be avoided or will be limited as far as possible, however there may be times where staff need to be close to children, particularly where assistance or comforting is required.
- **Bookings** – Category 1 Key Workers will be given priority to make bookings in advance. If you fall under this category, please ensure you make your required bookings by Tuesday 2nd November. We politely ask parents who are not Category 1 Key Workers to refrain from making any bookings until Wednesday 3rd November to prevent additional work for the staff and to prevent any delays or cancellations in bookings.
- **After School Club** – As the guidance states we must keep children in same social bubbles as much as possible, the only viable option we have is to keep the children in bubbles per school. Due to limited rooms and mandatory staff to children ratio's which must be adhered to, numbers will be limited to 19 children per School.
- **Taking children to Activities** – at this moment we are still able to take children through to activities within the sports centre however you **will need to arrange collection** from that activity as will are not in a position to re-collect them after the activity as this will be mixing the bubbles we have created and increase the risk of transmission.
- **Outdoor Sessions** – Please note that children will be outside for the duration of the After School Club session and will only be indoors for staggered snack times or during severe weather. Please ensure you provide suitable clothing for your child for all weather conditions, including a supply of sun cream which your child will be required to apply themselves where possible. Large heavy-duty gazebos will be used to provide the children with dry areas should they not want to play outside. There will also be tables and chairs in each area so the children can continue to enjoy arts and crafts and games, however activities will be limited as they must be cleanable.
- **Parent Pick-Up for After School Club** - Parents will not be permitted to enter the building and must remain socially distanced from staff members at all times. Staff have been allocated a school bubble and will remain working with the children from that school only until further notice. On arrival to the GSC car park, parents must phone a staff member on **07340641537** and wait outside the gate to the 3G pitches where your child will be escorted to you;
 - **STRATHBURN - Danielle + Scott B**
 - **Kellands – Chloe Th + Sean + Victoria**
 - **Uryside – Scott M + Chloe Ta + Hannah**

Staff will also be responsible for signing out the children on behalf of the parents.

- **Pick-up Time for After School Club** – Due to the additional time needed to ensure all resources are cleaned thoroughly, we ask that all children are picked up by **5.30pm**.
- **Children's Key Workers** - Please note that the staff mentioned above will also be your child's key workers for their allocated school and will be responsible for ensuring their personal plans are completed and kept up to date. Should you have any concerns or queries

regarding your child or have any medical information to pass on, please phone a staff member on the number allocated to your child's school to protect confidentiality as parents are not permitted to have discussions within close proximity to staff at this time. Alternatively you can also contact Aimee (Lead Practitioner) on aimee.harwood@gariochsports.co.uk.

- **Symptoms of COVID-19 at Home** - Parents must check the health of their children before bringing them to the setting each day.

Should a child begin to show any symptoms of COVID-19 (ie. high temperature, a new continuous cough, a loss or change to their sense of smell or taste), parents must follow the Test and Protect arrangements by contacting the NHS to arrange for them to be tested on 0800 028 2816 ensuring they mention their childcare arrangements with the GSC.

Children must self-isolate for a minimum of 10 days should they show any symptoms for or test positive for COVID-19.

Children must also self-isolate for a minimum of 14 days if they have been in contact with anyone who has suspected COVID-19.

You MUST notify the Lead Practitioner or a senior staff member as soon as possible should your child or anyone from their household have suspected or has tested positive for COVID-19.

- **Symptoms of COVID-19 at the GSC** - Should a child become unwell with symptoms of COVID-19 whilst at the setting, they must notify a member of staff immediately who will collect their belongings and escort them to the reserved well-ventilated changing room. This staff member will then wait with the child whilst their parents are contacted to promptly collect them through the changing room exit door. Parents will be reminded to follow the Test and Protect arrangements by contacting the NHS to arrange for them to be tested on 0800 028 2816 ensuring they mention their childcare arrangements with the GSC.

Children must self-isolate for a minimum of 10 days after showing any symptoms for or testing positive for COVID-19.

You MUST notify the Lead Practitioner or a senior staff member as soon as possible should your child or anyone from their household have suspected or has tested positive for COVID-19.

- **Outbreak** – Please note that we may need to close the setting to all staff and children at short notice for at least 14 days should an outbreak of COVID-19 (two or more cases within 14 days) occur within the GSC.

Any sessions out with the 48hr Cancellation Policy will be credited on the child's account.

- **Agreement** – The attached Agreement must be completed, signed and returned before your child attends the setting to confirm you have read and understood the changes in place.

Should you have any queries or concerns, please contact Aimee (Lead Practitioner) on aimee.harwood@gariochsports.co.uk or call 01467 626141 to discuss.
